## AUDITORS' REPORT.

The undersigned, chosen to audit the accounts of the Selectmen for the past year, have attended to that duty, and report as follows :

We find by an examination of the books of said Selectmen, that they have had at their disposal the sum of fourteen thousand and eight hundred and seventy-nine dollars and twenty cents, [\$14,879.20] ; and that they have paid out on account of the town, the sum of thirteen thousand and thirteen dollars and twenty-six cents, [\$13,013.26] ; leaving a balance in the Treasury of one thousand eight hundred and sixty-five dollars and ninety-four cents, [\$1,865.94].

The State and County taxes appear to have been duly paid, and the school districts, too, have severally received their proportions of the school and school-house taxes.

We further report that we find their accounts correctly cast, and proper vouchers on file for all moneys paid out by them.
